1. Obtain Required Information

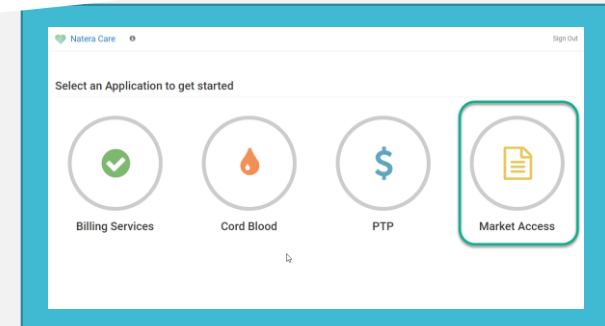

1- Test Type and Panel

2- If a patient does not know the test type and panel, advise them to contact their provider to obtain it.

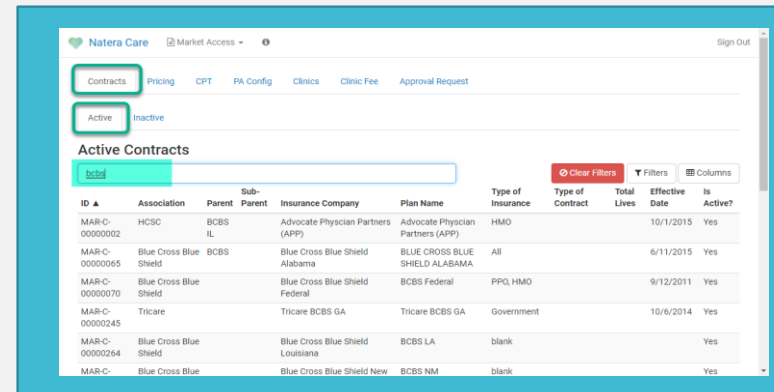

3- Insurance Name (BCBS, Aetna, Superior, etc)

2. Determine if insurance is in INN or OON

1. Open Natera Care, select Market Access application

2. If the insurance shows up, we are INN

The screenshot shows the 'Active Contracts' table in the Natera Care interface. The table has columns for ID, Association, Parent, Sub-Parent, Insurance Company, Plan Name, Type of Insurance, Type of Contract, Total Lives, Effective Date, and Is Active?. The 'Active' filter is selected, and the search bar contains 'bcbs'.
